Re: **Docket No. T-20562A-07-\_\_\_\_\_**  
**Bandwidth.com CLEC, LLC**  
**Voluntary Cancellation of its Authority to Provide Competitive Resold Local Exchange Service and Facilities-Based Long Distance Telecommunications Service in Arizona**

Dear Sir or Madam:

Please accept the original and thirteen (13) copies of this letter as a request on behalf of Bandwidth.com CLEC, LLC ("the Company") to voluntarily relinquish its authority to provide **Competitive Resold Local Exchange Service and Facilities-Based Long Distance Telecommunications Service** in Arizona, granted in Decision No. 71117 in Docket No. T-20562A-07-0615 on June 5, 2009, and to be relieved of the bond requirements associated with those authorities. The Company wishes to retain its authority to provide **Facilities-Based Local Exchange Service and Resold Long Distance Telecommunications Service**, which was granted in the same decision.

Although the Company requested authority to provide both facilities-based and resold local and long distance services in its Application in Docket No. T-20562A-07-0615, the Company has since determined that it has not and does not intend to engage in the resale of local exchange service nor the provision of facilities-based long distance services. Accordingly, it does not require either of those two authorities. The Company does, however, intend to offer facilities-based local service and resold long distance services and wishes to retain those two authorities.

No customers will be affected by this voluntary relinquishment of authority; accordingly, customer notice is not necessary.

The Company proposes to relinquish its **resold local** and **facilities-based long distance** authorities, without prejudice, effective immediately. Moreover, the Company requests that its obligation to maintain a performance bond or irrevocable letter of credit in the amount of \$225,000 be reduced by \$125,000, to reflect relinquishment of its facilities-based long distance authority (\$100,000) and resold local authority (\$25,000). The Company would continue to maintain a \$100,000 letter of credit associated with its facilities-based local service authority.
